To the DEMOCRAT.

Mr. Editor, not having seen any thing from this neighborhood since the discussion between Mr. Hartly and Miller, I concluded that I would dot a few items, for publication (if this does not find its way to that miserable waste basket of yours.) We are having rain and mud plenty; although it rains it does not retard the hauling of cabbage but little. The people it seems haul cabbage from a sense of duty they owe to the Lenoirites, Hickoryites, Newtonites, or just any other ites, where they can sell, or half sell, the production of their last year's hard labor. Surely the people of Watauga could afford to help a little to build a Rail Road through the county, as easy and with much better grace than they can help to pay off the Morton bank. "This Mr. Editor is a question it seems the people settled in Nov. last, but how they feel now, or may in the not far off future, is something that I cannot tell, all I can do, is to abide my time in patience and see the answer.

Christmas has begun a little in and around Blowing Rock Dept. Sheriff Edmundson made the start by marrying

Miss Vienna Sherrill. May their path through life be one strewn with pleasures that never fade or die. I hear that a Christmas tree will be at the Watauga Hotel at Blowing Rock for the school at Skyland. Cool Spring Church closed a series of meeting yesterday with favorable results; the ministers in attendance were Revs. W. T. Knight, J. M. Payne, John Norris and James Phillips. There were ten additions to the church 4 by letter and 6 by experience. Among the latter were J. E. Greene and his son Mc. Greene, also John Hartley son of J. M. Hartley who were made happy in a savior's pardoning grace. Never was a community more rejoiced than this at the conversion of the above named three. They were good kind obliging neighbors before their conversion and now we have reasons to believe that they will make good soldiers in the army of the Lord. The church appeared to enjoy a revival of their religion during the meeting which lasted about 8 or 8 days, when it closed there was several penitents still mourning a Saviors love to know. May they never give up to the wicked one who strives to decoy their poor souls. I would say in conclusion mourn on "Blessed are they that mourn for they shall be comforted. Success to the DEMOCRAT and its Editor. W. E
